EDUCATION

VIT-AP UNIVERSITY

(Graduating 2026)

Bachelor of technology in CSE

- CGPA 8.57

TIRUMALA EDUCATIONAL INSTITUTIONS

(2020 - 2022)

Intermediate

- Scored 96.5% (in MPC)

TIRUMALA EDUCATIONAL INSTITUTIONS

(2019 - 2020)

SECONDARY HIGHSCHOOL

- PERCENTAGE 100% (in class 10)

TECHNICAL SKILLS

- Artificial Intelligence
- Data Structures and Algorithms
- Machine Learning
- PYTHON
- JAVA
- FRONTEND WEB DEVELOPMENT

LANGUAGES

Programming:

Experienced in

- Python
- HTML,CSS
- Java

Basic in

- C
- SQL

Communicative:

- English
- Telugu
- Hindi

Basic French

EXPERIENCE

Machine Learning with python

- Completed Machine Learning with Python from IBM- July2024
- Certified Internship Codsoft - June 2024
- PCAP: Programming Essentials in Python, Cisco Networking Academy - May 2024

Code Chef Club, VIT-AP

(December 2023 - present)

- Attended all the technical events conducted by the club.
- Done project with 5 team members in the club.
- Obtained coding skills.

PROJECTS

Brain Stroke Prediction Model

- Designed a Machine Learning Model using the Kaggle Dataset. The Model is the Machine Learning Prediction Model which Predicts about the Brain Stroke Possibility
- .The Model consists of various Machine Learning Models such as Regression, SVM(Support Vector Machine),Random Forest, Decision Tree Classifier, and K-Nearest Neighbor

Crop Yield Prediction Model

- Designed a Machine Learning Model using the Kaggle Dataset. The Model is the Machine Learning Prediction Model which Predicts about the Crop Yield Prediction
- Model

.The Model consists of various Machine Learning Models such as Regression, SVM(Support Vector Machine),Random Forest, Decision Tree Classifier, and K-Nearest Neighbor

HOBBIES

- Playing Cricket
- Reading Books
- Listening to Music

ADDITIONAL SKILLS

- Good Team Leading skills. Excellent
- Reading and Writing skills
